The fake to third and throw to first play remains ILLEGAL for PG League Games in New England for 2025. Also, in the windup position, a pitcher is permitted to have his “free” foot on the rubber, in front of the rubber, behind the rubber, or off to the side of the rubber.

Additionally, if a team is batting their entire lineup, the courtesy runner will be the last batted out. If the last batter not on base is unavailable (i.e., he is the catcher or pitcher), the designated runner will roll back until such time as a possible substitute can be found.

14. Legal Slide:

A legal slide can be either feet first or head first for all age levels. If a runner slides feet first, at least one leg and buttock shall be on the ground prior to contact with the fielder.
