Additionally, for further clarity, Perfect Game **has lifted** its previous ban on the **Easton Hype Fire -5 bat** and, effective August 15th, 2024, all years and models will be approved for Perfect Game play **outside of a 12U event.**

ALTERED BATS:

DEFINITION OF AN ALTERED BAT:

“A bat which has been subjected to a change in its physical makeup outside the original manufacturer's product”.

At any point, a Perfect Game Director or UIC may request to inspect a bat that is at a Perfect Game sanctioned event. ***If the owner/user refuses to allow the requesting body to inspect the bat, the owner/user accepts an automatic three-year suspension from Perfect Game sanctioned events.*** Alternatively, the owner/user can allow the bat to be inspected so a conclusion can be formed as to whether the bat was altered.

The owner/user of the bat has the responsibility of knowing whether a bat is altered.

DAMAGED, WORN, OR ILLEGAL SUBSTANCE ON BATS:

Bats that are damaged in any way, including but not limited to cracked, warped, missing a knob/cap, having a rattle, etc. are not legal for Perfect Game sanctioned events.

Bats may not have any certifying markings or graphics worn off the bat. Bats that have certifying or identifying markings worn off the bat shall be removed from play.

No substance shall be added to the bat barrel. The barrel of the bat and all identifying marks or graphics shall be free of any foreign obstruction. If a foreign substance is discovered as being used or identifying marks on the bat are not visible the bat shall be removed from play.

1. YOUTH PITCHING REGULATIONS:

Balk Rule: The MLB balk rule will be enforced. When a balk is called, it is NOT a dead ball. A called balk will remain a LIVE ball. The balk is not considered an automatic dead ball.

The fake to third and throw to first play remains LEGAL for PG Youth events. Also, in the windup position, a pitcher is permitted to have his “free” foot on the rubber, in front of the rubber, behind the rubber, or off to the side of the rubber.

DAILY LIMITS:

- 7U-8U: Daily max is 15 outs **OR** 50 pitches.
- 9U-10U: Daily max is 18 outs **OR** 75 pitches.
- 11U-12U: Daily max is 18 outs **OR** 85 pitches.
- 13U-14U: Daily max is 21 outs **OR** 95 pitches.

The pitcher may finish the batter upon reaching the daily pitch count limit.

15U-18U will follow Pitch Smart Pitching Guidelines.

EVENT LIMITS:

- 7U-14U: Each Player is allowed 24 outs over a 3-day period.
- If a player records more than 9 outs in a day, they are **required** 2 days' rest.
- 100 Pitch maximum over 2, 3 or 4 day events
- 140 Pitch maximum over 5+ day events
- Players can pitch in more than one game in a day if they do not exceed daily limits.

Once a player has been removed from pitching, they **may not return** to the mound in the **same game**.

No pitcher shall appear in a game as a pitcher for three consecutive days, regardless of pitch counts.

No pitcher shall appear in three games on the same day, regardless of pitch counts.

The definition to be utilized for the purpose of the pitching restrictions for the end of a day shall be any time of night or day that the facility is closed and teams have a break in playing before the next day's games.

Pitchers who record outs or pitch in a game that is forfeited will still have those outs/pitches counted toward their limitations.

2. PITCHING VIOLATIONS

The pitcher must be replaced on the mound immediately upon notice of a violation, **not a forfeit**. After 2nd protested or discovered pitching violation in the same event, the head coach is ejected for the remainder of the event.

- The hitting team will start the inning with one out.
- Play continues until one team is ahead at the end of an inning.
- 9U-18U: Gold Championship games will be played with regular extra innings through the time limit. If time has expired, the last three hitters from the previous inning will load the bases with 1 out.

5. FORFEITS:

A team should do everything within its power to start the game with 9 eligible players. Should a team not be able to begin with 9 players, a game may begin with 8 players, with the 9th lineup spot being an automatic out. The game can be finished with 8 players. If there are no eligible subs, the player leaving the original lineup will be recorded as an out until he is able to return. A Team that intentionally forfeits its pool play games will NOT be allowed to participate in playoffs, subject to the director's discretion. The tournament committee will rule on all forfeits. No team should benefit from the result of a forfeit in an unfair manner. This rule could result in a dispute, and the

tournament committee reserves the right to look at and rule in the fairest possible way. The committee's decision will be final! A forfeit score will be 1 run per inning, based on the age group. Only the Head Director can call a forfeit.

Note: Players in 12U and younger divisions must wear a catcher's helmet that fully covers both ears.

ELECTRONIC COMMUNICATION DEVICES: Adoption of NCAA Pitchcom Protocols - The use of exclusively one-way electronic communication devices that transmit pre-recorded message(s) or signals for the purpose of relaying the pitch or play call from the dugout to the field (to the pitcher or other defensive or offensive players) is permitted. The use of an in-ear communication device with direct or live audio remains restricted to the defensive position of catcher.

9. TRIPS TO THE MOUND:

The members of the coaching staff (including the manager) can make one mound visit per pitcher per inning without needing to remove the pitcher from the game. If the same pitcher is visited twice in one inning, the pitcher must be removed from the mound.

10. LINE-UPS:

Hitting Lineup:

- You may bat 9,10,11 players or your roster.
- You must declare at the start of the game, and once the first pitch has been thrown, the lineup is locked, and the number of batters may not be changed.
- May start a game with 8 players; the 9th player's spot is an out when he comes up in the lineup.
- DH Allowed
- The 10th and 11th hitters, if used, will be designated as an EH and XH on the lineup card.
- The EH and XH may bat at any spot in the order.
- The EH and XH is the same as any position on the field as far as substitutions are concerned.
- The starting pitcher is allowed to DH for himself and bat in any slot in the order, but must be listed as a P/DH on the lineup card.
- The team can bat its entire lineup.

Roster Batting Rules:

- Injury
 - Batter: If a batter cannot fulfill his time at bat due to injury or illness, that player will be eliminated from that entire game. His spot in the batting order will be an automatic out each time.

- Ejection or Injury
 - A player ejected while roster batting will result in the team losing that player for the entire game. His spot in the batting order WILL BE AN AUTOMATIC OUT EACH TIME.
- Courtesy Runner – Roster Batting
 - The Courtesy Runner shall be the player making the last batted out.

11. IN CASE OF RAIN:

All rainout games may not be made up, depending on time constraints. In the case of scheduling changes, it is the team's responsibility, not the tournament committees, to make sure they are aware of the new schedule or any scheduling changes. This information will be posted on the tournament website when it becomes available.

Note: No special requests will be made if rescheduling becomes necessary. Tournament format is subject to change at any time if deemed necessary and will be determined based on the fairest outcome for all teams. All coaches should make sure the tournament committee has current contact info. If games are cancelled, pool winners and championship qualification will be determined by the tie-breaking procedures (listed below).

12. STOP IN PLAY/OFFICIAL GAME DETERMINATION:

If games are not resumed within one hour of stoppage, the director reserves the right to continue the game, shorten the time limit, or consider the game an official game based on the required innings played. If 3 innings have been completed, or 2 ½ innings if the home team is ahead in an 8U-12U game, that game will be considered official. If 4 innings have been completed, or 3 ½ innings if the home team is ahead in a 13U-18U game, that game will be considered official.

The tournament director can extend the 1 hour if there are extenuating circumstances, i.e. lightning detector, working on fields, etc. A suspended game will resume where the game was halted. In the event play is stopped for any reason before or during the Championship round, first place, second place, third place, etc. will be awarded based on PG Seeding and Tie Breaker Rules.

13. PROTESTS:

Judgment calls are not eligible for protest. Protests for pitching limitations are permissible for non-DiamondKast events only. Protests will be heard and ruled on by a tournament committee. The team protesting must make a cash payment of \$100 at the time of the protest. If the protest is ruled in the protesting team's favor, the \$100 will be refunded. The ruling made by the committee will be final. Protests must be filed and ruled on before the next pitch if during the game, or before umpires leave the field if after a game.

14. ROSTER & ROSTER CHANGES:

All players must be listed on the official roster before the team's first scheduled game. If a player is listed on more than one roster, the player listed will decide which roster he is legally on. This decision is up to the individual player. No player can appear in a tournament game for more than one team, including separate age groups. Once the player has appeared in a game, the player may NOT participate with another team in the same weekend, regardless of age division or classification. This **INCLUDES** separate PG tournaments. However, once a player's team is eliminated from a tournament, they may join a different team in a different event starting the next day.

- The team's manager is responsible for all aspects of the eligibility of the players on his team and ensure that they meet the requirements.
- A player who violates the age eligibility shall be considered an illegal player.
- If at any time during a tournament game, a player is discovered to be illegal due to an age violation or participating on more than one team in ANY PG tournament in the same weekend, the team is subject to forfeit. The first team a player participates for is their official team. *This does not apply to Pitch Smart violations.
- Once a player's team is eliminated from a tournament, that player may begin a new tournament the following day. Pitching limitations are still in effect. Per pitching rules, players must adhere to the days' rest requirements. Players must still be rostered before the team's first pitch of each respective event.
- Participating players shall have photocopies of their original birth certificates (US) or passports (International) in the possession of their team manager. Electronic copies of ID documents are accepted. Failure to have a copy of a birth certificate, in the event of a protest, could result in suspension for the remainder of the event until such a document can be produced for the team or individual. A driver's License is permitted. For events classified by graduation year or grade level, transcripts/report cards from a player's most recent academic semester shall be in the possession of their team manager.

15. SCORING:

We recommend that all teams (home and visitors) keep a scorebook. In DiamondKast-scored games, the official scorebook and lineup card for the game will be kept by tournament staff. In a situation where staff cannot keep the book, the home team will be the official scorer. In a situation in which tournament staff and the home team are unable to score, the visitor would become the official book. All subs should be reported to the umpires. To eliminate scoring disputes, scorekeepers should check with the official scorer during and after the game. **Lineup cards** must be filled out fully with players' first name, last name, position, and accurate jersey numbers. All substitutes should be listed with accurate jersey numbers. Failure to produce a complete lineup card can result in games not starting on time. Lineup cards are to be given to the official scorekeeper before the home plate meeting.

16. SPORTSMANSHIP:

In the interest of maintaining a quality event, the tournament committee reserves the right to eject any person from the site for unruly or unsportsmanlike behavior. Such behavior shall include, but not be limited to:

- Physical attack on an umpire, tournament official, associate director, associate officer, and/or any player or fan prior, during, or immediately following a game played under the authority of Perfect Game. Assault on an official is a felony in some states.
- Players, coaches, managers, fans, spectators, or sponsors threatening an umpire, tournament official, associate director, or associate officer with physical harm.
- Any player, coach, manager, sponsor, fan, spectator, director, or officer who engages in physical fighting.
- Using unsportsmanlike conduct or abusive language, symbol tactics, or derogatory or unbecoming acts.
- Destruction of property or abuse or failure to pay.
- Competing under an assumed, false, and/or altered name.
- Tournament hosts have the authority to eject a player, fans, or team anytime during a tournament for committing any of the above-listed offenses.
- A **player, spectator, fan, or coach ejection** carries removal from that game **PLUS suspension for one game**. If it is the last game of the tournament, the offender may be required to sit out the first game of the next tournament that the team plays in. Suspension may be rescinded or expanded depending on the severity of the situation and after review by event officials.
- Any spectator, coach, manager, or player who is ejected for the second time during the tournament will be eliminated from participating in the remainder of the tournament.
- Any event that results in a physical altercation (before, during, or after a game) could result in a forfeit for both teams. The tournament committee reserves the right to remove teams from playoff contention.

17. COURTESY RUNNERS:

Courtesy runners can be used for the Pitcher and Catcher at any time but must be a VALID SUBSTITUTE. In addition, the same substitute **CANNOT** run for more than one position (Pitcher or Catcher) in the same game. Additionally, if a team is batting their entire lineup, the courtesy runner will be the last batted out. If the last batter not on base is unavailable (i.e., he is the catcher or pitcher), the designated runner will roll back until a possible substitute can be found.

18. LEGAL SLIDE:

A legal slide can be either feet-first or head-first. If a runner slides feet first, at least one leg and buttock shall be on the ground before contact with the fielder. If a runner slides headfirst, the runner's arm/arms and torso must be on the ground before contact with the fielder.

19. JUMPING OVER A FIELDER:

A runner **leaving his feet to avoid a fielder** that is either in possession of the ball or in the act of fielding **is illegal**. The ball is dead, and the runner is called out. No runners may advance from the last base legally occupied at the time of the illegal act. The runner does not have to contact the fielder, and the fielder does not have to control the ball for this to be considered an illegal act.

20. OFFICIALS:

Perfect Game shall utilize officials who are registered with Perfect Game and administer the contest in accordance with Perfect Game rules and expectations.

21. SEEDING & TIE BREAKER RULES:

1. Pool play overall record (winning percentage)
2. If **ONLY two teams are tied** based on winning %, and those teams played **head-to-head**, the winner will be the higher seed.
3. If **three teams are tied** – If one team has defeated both other teams, that team advances. If not, **go to #4**.
4. Least total runs allowed in pool play. **Head-to-head vs one common opponent does not matter.**

6. If still tied – Total runs allowed, subtracting game with most runs allowed in pool play
7. If still tied – Total runs allowed minus two games with most runs allowed in pool play

 - d. If two or more teams have the same winning %, **a coin flip will determine seeding**.
6. 0-2 and 0-1 teams
 - a. Placement will be determined by average runs allowed first, based on pool standings, and then average runs scored based on pool standings if still tied after first tie-breaker.
7. Tie vs Loss Rule
 - a. Any team with a tie will always be seeded higher than a team with a loss, regardless of other factors.

22. NOT COVERED IN RULES:

In the event any item is not covered in these rules or NFHS rules, the tournament committee will make the fairest possible ruling, and that ruling will be final!
